PRINCIPAL’S MESSAGE

In welcoming students back to term 2, I reminded them of our core values of Respect, Responsibility and Do Your Best, which underpin all activities at our school, be it in the classroom, at sport or travelling to from school. The School Cup assembly at the end of last term recognised students from all year groups who successfully demonstrate these values in all activities. I also took the opportunity to remind students of our uniform code and that short shorts, tights and coloured jumpers/hoodies are not acceptable and should not be worn to school.

This term is short, being only nine weeks and it will be a busy time for all students. Year 12 students participated in a HSC survival day on Tuesday, next week our Athletics Carnival will be held on Wednesday and I am looking forward to seeing many parents at the Year 10 - 12 Parent Teachers interviews on Thursday 8th May. Also next week, distance education students will be at camp. I hope the weather remains fine and they enjoy meeting and spending time with fellow students and teachers.

The NAPLAN tests for Years 7 and 9 are scheduled for week 3 and examinations for Years 7 to 10 will be held in week 4. Year 11 mid-course examinations are in week 6. Year 12 students will be finalising practical projects and preparing for HSC practical examinations which will be held in term 3. This is just a snapshot of the activities in which students will be involved other than class, sport, work experience, Beef Week, work placement and the list goes on and on.

COMMUNITY NEWS

Valley View Road, Laurieton, NSW 2443 • 02 6556 8100 • camdenhave-h.school@det.nsw.edu.au
There has been another fantastic result for the Agriculture students representing Camden Haven High School at the 2014 Sydney Royal Easter Show. Late last term a dozen students accompanied by teachers Mr Hickson and Ms Cutler journeyed to Sydney to compete in this prestigious Agricultural Event. After qualifying last year at the Taree Show students’ acquitted themselves extremely well against some of the state’s top private and public Agricultural Schools. Standout results include Talia Cranfield who achieved 4th in parading in the 15 years age group. This was after qualifying through a number of stages against some very still competition. Watching Talia take control of and show off the huge beast she was parading was truly a sight to behold and a testimony to months of hard work and dedication.

Samson, the Limousin Steer, won a highly commended in the final for his class, while he received a Bronze Medal for the carcass. All students who participated represented their community and school admirably and worked tirelessly throughout the week to succeed at this level. Students are even now thinking of methods and techniques to improve their animals for next year, especially concentrating on fat cover and pH to achieve their goal of that elusive Gold Medal at the Royal.
100% ATTENDANCE

Thursday 10 April saw fifty students at Camden Haven High School spending lunch with the Principal, Mrs Margaret Hutchinson. These fantastic students had 100% attendance for the term and the luncheon was held to celebrate their outstanding achievement.

Mrs Hutchinson congratulated everyone who was invited and the students were extremely appreciative of being officially recognised for their perfect attendance. It was particularly pleasing to note the high percentage of senior students who were 100% recipients. Staff at the school are focussing on attendance in light of last year’s excellent HSC results as evidence suggests there is a direct link between academic success and attendance.

PUTTING SKILLS AND ABILITIES INTO ACTION

Camden Haven High School runs a school based crèche for staff member’s children on Staff Development Days. These crèches are run by students who get to use their knowledge and skills from the Exploring Early Childhood classes offered at the school. This term, the crèche was run be Kate Simpson and Carly Rosenberg.

The children participate in a variety of activities including a visit to see the farm animals, various crafting opportunities and sporting activities.

*Pictured are a group of children feeding the sheep up at the school’s Ag. Plot.*
YEAR 8 ENTERPRISE SKILLS PROGRAM

Year 8 finished off Term One with a space themed activity day. All up there were ten student teams trying to solve a wide range of problem based challenges. The focus of the day was to develop communication, problem solving, teamwork and learning skills. As each team had to overcome twelve different challenges, the students were told to ensure they formed a team with a balance of boys and girls, brains and brawn. The challenges involved everything from crossing ‘lava pits’, to cracking computer codes and escaping on their skateboard powered ‘rocket ships’. It was exciting to see the students analysing each problem and developing a variety of strategies to solve each one as quickly as possible.

The Year 8 Enterprise Skills Program course is intended to help students develop the key skills that organisations are looking for when they select employees. It was very pleasing to see that the students have already made excellent progress in acquiring these skills.

Each activity was run by members of the Year 11/12 Coaching Skills class while the teachers joined in with the student teams. The students are commended for the level of enthusiasm and teamwork they exhibited on the day. When it came to choosing the winning team it quickly became clear most staff members thought their own student teams had been outstanding in their efforts and teamwork. No clear winner could be agreed upon so the staff decided to award the top prize to multiple teams.
SCHOOL CUP WINNER - TERM 1

Although Haven won the swimming carnival and Watson won the cross country, it was Camden house who proved that consistent efforts in all carnivals and in the classroom is the way to achieve the most points in term one. The School Cup competition will continue all year and the upcoming Athletics Carnival will assist all house groups earn more points.

Term 1 points totals were:

<table>
<thead>
<tr>
<th>House</th>
<th>Points</th>
</tr>
</thead>
<tbody>
<tr>

</tr>
</tbody>
</table>

Students are awarded points for positive behavior in class, in the playground and in extra curricular events. In a great leap forward students can this term find out their points tally immediately via the student Millennium portal. This week Year 7 and 12 have been shown through the new site by Ms Westman and Mr Dick.

ANZAC DAY CEREMONY

Maddy McGann and Nathan Duxbury on the catafalque party at LUSC on Anzac Day. Maddy is a senior cadet, a training sergeant, with the 208 Army Cadet Unit at Port Macquarie and Nathan is a section commander there. Both students represented their unit and our school proudly on Anzac Day at the dawn service in Wauchope and then at the Laurieton community ceremony at 11am.

LIBRARY NEWS - IMPROVING ACADEMIC PERFORMANCE

A great article was published in the Australian this week about the importance of recreational reading and its potential to improve academic performance, even in maths. It claims that “the positive link between leisure reading and cognitive outcomes is not purely due to more able children being more likely to read a lot, but that reading is linked to increased cognitive progress over time.”

Read the full article by clicking the link below.

FRENCH FOOD

7C and 7A enjoyed eating a typical French breakfast during their French lesson at the end of last term. They sampled croissants with butter and jam and chocolate croissants (pains au chocolat). Everyone decided that it was “délicieux” and they are all looking forward to trying more French food soon.

YEAR 9 CAMP FUNDRAISING

The Easter Egg guessing competition proved very successful. We ended up with eighteen prizes, with three major prizes of lots of eggs and rabbits!

Congratulations to Ryan from Laurieton Motors Mechanical who took out first prize. Ken Brough from Kempsey was second and Di Taylor from Port Macquarie took out third prize. Other winners are: J. Gill, R. Waters, P. Potts, C. Wilkie, K. Hetherington, S. Ferris, Perce, W. Wilkes A .McKinnon, J.Wilkes, Mary, S. Vaughan, S.Bird, Doug, and M.Kerr.

As a result many students were able to reduce the cost of the Year 9 excursion. Well done. Speaking of the excursion, ninety students have indicated by payment that they will be attending. To help families with the budgeting, making regular payments would be of benefit. To this end, it is necessary for all participants to have paid at least $300 by the end of Term 2. (Please note: not extra on top of what has already been paid but in total).

If any other student is still thinking of attending camp, they need to pay at least $50 asap to the front office. Further fundraising will occur this term, including slushies and a BBQ at the sports carnival.
POSITIVE BEHAVIOUR FOR LEARNING

‘I hear you.’ Active listening is another tool for helping children cope with their emotions. They tend to get frustrated a lot, especially if they can’t express themselves well enough verbally. When you repeat back to them what you think they might be feeling, it helps to relieve some of their tension. It also makes them feel respected and comforted. It can diffuse many potential temper tantrums.

SURVIVING THE HSC - STUDY SKILLS DAY

With only two terms left for HSC students a study skills session was organised for their return this term. This occurred on Tuesday and asked students to reflect on their progress in relations to attendance, completing set work and assessments, examination techniques and how to ask for help from their mentor.

Nikki Seymour, a past student, gave a motivational presentation on how to manage the final days of schooling as well as encouraging students to take up those opportunities that will become available in their future planning.

There were sessions on scholarships, post school options, maximising assessment marks, the school study skills website and balancing life and study. The day culminated in a BBQ where students and staff had an opportunity to relax and discuss issues raised.
SAILABILITY

Sailability is a new and exciting activity that students have been attending in Port Macquarie at Jordan’s Boat Shed hosted by the volunteers from Port Macquarie Apex and Rotary Clubs. Together with a qualified, experienced sailor our students were able to learn a wide range of sailing skills in their two man, specially designed boats.

After a short time the students were taking control of their craft, tacking and jibing their way up and down the river. The smiles on their faces are a great indication of the unique experiences and friendships they enjoyed each week.

Sailability is a summer sport for a small number of students and will be offered again in term four. We would like to extend our sincere thanks to all the wonderful volunteers involved in this rewarding program.
On 26th March ten Year 11 students from the German Continuers course did not attend their regular schools, but made their way to Camden Haven High School to attend their first German Single Course Day. They travelled up from Newcastle, down from Coffs Harbour and as far away as Dorrigo to meet each other and their teachers - Mrs Hartmann and Mr Rourke. And no, it was not just a great opportunity to add hours to their L’s, but a lot of hard work.

We started the day with a reminder of why studying German is so important. We looked at a variety of jobs that need German, including some current job offers available in Australia and overseas. Students were excited to learn about the scholarships and international student exchanges available and the Go8 LOTE Incentive Scheme, which involves eight major universities in Australia that give great incentives to students that have studied a language at senior level.

Then we looked at ways to make the learning of German a bit more fun with a variety of online programs and apps. Students used their German skills to introduce themselves and learn a bit more about each other, before we looked together at ways to extend spoken and written responses to get the best results possible. Students had the opportunity to practise their newly acquired German skills with one another and sample some genuine German “Leckereien” (delicacies). After an enjoyable typical German lunch (Potato Salad, Sausages and CHOCOLATE!) together with the German Beginners group we had some fun with different tasks that involved the lyrics and youtube video of the ‘Revolverheld’ song “Ich lass für dich das Licht an”.

Another session involved exploration of online resources and apps currently available to motivate students and help them learn vocabulary. These included the BBC site “Bitesize”, “Quizlet,” and TALE (Teaching and Learning Exchange).

The day was fun and successful and all participants left feeling highly “motiviert”. Students left the promise to stay in contact with each other to make distance education a bit less distant.

Was it worth missing out on a school day? Sure! We had German chocolate!
SENIOR DANCE WORKSHOP

Monday 12th May 9.00am – 3.20pm
Performance Space (Building J) - Camden Haven High School

We invite all Distance Education Preliminary Dance students to attend this second workshop as an introduction to Core Composition. The workshop is an invaluable experience in preparation for your second assessment task in which you will be expected to choreograph your own dance. There will be a variety of workshops throughout the day focusing on stimulus, motifs and generating movement into phrases. We will also look at writing for dance, the rationale and the elaboration process. It will also be a great opportunity to ask the teachers any questions and to receive feedback.

We ask for students to bring dance clothes and process diaries. You are also required to have an idea for your composition intent.

If you are travelling a long distance, accommodation is available at the Country Pines Motel, next door to the school. We can also arrange to collect you from the Kendall Station if you are travelling by train.

We look forward to catching up with you! Any enquiries please phone Miss Webber on 6556 8284 or Ms Navan on 65568292 or send an email.

SUPPORT CENTRES

We now have Support Centres successfully running in Toronto, Broadmeadow, Rutherford, Nelsons Bay, Tamworth, Armidale, Gunnedah, Bellingen and Nambucca. Fulltime Distance Education students are able to access free tutoring with a CHHS teacher. Internet access is available and students can use one of the school's ipads if needed. Students can also make friends and meet teachers in a happy and safe environment.

If you are interested in attending a support centre, please contact Mr Williams on 6556 8200.
**BLOOD DONOR VOLUNTEERS REQUIRED**

On 14 May the Red Cross will be holding a blood drive at CHHS. They visit here once a term, allowing students and staff the opportunity to donate blood and we are looking to extend this invitation to our wider community. We hope you will join us and help us save lives.

People aged between 16 and 70 (weighing over 45kg) are eligible to donate. The donation itself takes between 5 - 10 minutes and can help in saving up to three lives. Sadly, you are restricted from donating if you have had a tattoo in the last six months, are pregnant, have just given birth or if you lived in the UK for a total of six months between 1980 and 1996.

Most of us should be able to roll up our sleeves and help do something. Many of our students and staff are regular donors. If you are interested in making a blood donation and you fulfil the donation requirements (outlined in the information package) please contact the school for more details about donation dates.

For an information package please contact Mr Todd Dalton who will email you one, or alternatively please access the Red Cross Website at http://www.donateblood.com.au/ for a copy.

We look forward to you helping us save lives!

---

**PARENT TEACHER INTERVIEWS (YEARS 10-12)**

**Years 10, 11 and 12 Parent / Teacher Interviews**

Thursday 8 May 2014

3.45 pm – 6.00 pm

**BOOK ONLINE NOW**

Go to:

- Enter Event Code: EFKFC

Click on GO

- Enter your details - Your name and your child’s name.
- Choose the teachers you wish to see (your child will tell you who their teachers are).
- Choose the times you wish to attend.

The site will close for bookings on Wednesday 7 May at 9 am.

Please feel free to ring Ms Cook or Ms Sass on 65568194 if you have any questions or are having difficulty making a booking.

---

**UNIFORM SHOP**

With the colder weather approaching, students are dragging out their jumpers and long pants. Please ensure all students are wearing full school uniform as per our uniform policy. The uniform shop is open Tuesday mornings 8:30-11:30, and Thursday afternoons 1:00-4:00, at our school.
JMC ACADEMY - SYDNEY OPEN DAY

Come along to one of our Campus Open Day and learn how to build your creative future with JMC Academy. On the day you will take a campus tour, undertake a focused overview on your course of interest, speak first-hand with current students, scholarship winners and the Heads of JMC Academy's Music, Audio, Animation, Game Design, Film and Television, and Entertainment Business Management departments. You will also be able to view student work, listen to bands, view student films and even see live audio and film production in action.

Date: Saturday 3 May 2014
Time: 10.30am
Location: 561 Harris Street Ultimo NSW 2007

BILLY BLUE OPEN DAY - SYDNEY

Interested in a career in the creative industries? See what courses Billy Blue College of Design offers. Come along and view the facilities, meet the staff and current students and find out what life is like at Billy Blue.

Date: Saturday May 3, 2014
Time: 10am-1.30pm
Location: North Sydney Campus: Level 8, 171 Pacific Highway, North Sydney
Details and Registration: http://www.billyblue.edu.au/news-events/upcoming-events/sydney/sydney-od-may

AUSTRALASIAN COLLEGE OF NATURAL THERAPIES - SYDNEY OPEN DAY

Discover a healthy career change with the Australasian College of Natural Therapies, one of Australia's longest established natural therapies colleges. Do you want to know more about healthy eating? Want to discover herbal treatments? Want to know more about a career in health and wellbeing? Discover the answers at the ACNT Open Day.

Date: Saturday 3 May 2014
Time: 10am - 1pm
Location: 235 Pyrmont Street, Pyrmont
Details and Registration: http://www.acnt.edu.au/about-us/events/sydney-openday

APM COLLEGE OF BUSINESS AND COMMUNICATION OPEN DAY

APM College of Business and Communication Open Day
Sydney and Brisbane Campuses.

Date: Saturday 3 May 2014
Time: 10am-2pm
Details: http://www.apm.edu.au/about-apm/upcoming-events
AUSTRALIAN NATIONAL COLLEGE OF BEAUTY - SYDNEY OPEN DAY
The ANCB Sydney Open Day will give you the chance to spend a day at our premium standard campus, attend information sessions, see our clinic in action, learn about courses and career options, meet students and staff, and see what it is like to be a student at ANCB. There will also be free massages and refreshments provided throughout the day.
Date: Saturday 3 May 2014
Time: 10am-1pm
Location: 235 Pyrmont Street, Pyrmont
Details and Registration: http://www.ancb.edu.au/open-days-events/open-day-sydney-3rd-may

ENDEAVOUR COLLEGE OF NATURAL HEALTH OPEN DAYS
Find out about a career in Natural Medicine. Talk to staff about course and career options and check out the facilities. All Campus Open Days are on today with the following details:
Date: Saturday 3 May 2014
Brisbane Campus: 9am-12pm 269 Wickham, St, Fortitude Valley
Gold Coast Campus: 9am-12pm 105 Scarborough St, Southport
Sydney Campus: 9am-12pm 815-825 George St, Sydney
Melbourne Campus: 9am-12pm 368 Elizabeth St, Melbourne
All Details and Registrations: http://www.naturalhealthopenday.com.au/

MID COAST CAREERS MARKET
In these changing times new employment opportunities and job roles are rapidly evolving in response to the growing needs of business and industry. It is often difficult to connect with all the key players that can assist with career and training current trends future opportunities within your industry.

You are invited to participated in this important local event and maximise the exposure of your business within the community.

By exhibiting at the Mid Coast Careers Market your organisation will have the unique opportunity to:
• explain specific employment requirements to students, parents and teachers on career opportunities, employment requirements and pathways particular to your industry
• provide practical demonstrations of activities as performed in your workplace
• promote opportunities for employment by having direct access to potential future employees
• support the development of skills and knowledge
• build partnerships within our community

There will be no charge to exhibit and lunch will be provided for exhibitors.

Camden Haven High School has arranged an excursion to the above event and a charter bus will provide transport to and from the Port Macquarie Race Course. Notes will be distributed to interested students in Week 2. Interested parents are also welcome to attend.
On Wednesday 3 April we held our Cross Country carnival thanks to the great support of the Kendall Showground society and the State Forestry. We took a new tact this year and blazed along the forestry trail to separate turn around points for the age groups.

Although there were a couple of minor hiccups with people running too far, it was generally a great day. A couple of competitors pushed themselves to the extreme and came off second best, with some minor scrapes and the occasional exhausted student.

We also had some wonderful students who performed above and beyond in helping a student who required some additional medical attention. They raised the alarm to the nearest staff who were then able to ensure our student was taken care of and received the attention they needed. I would like to thank Arora Attenborough, Alexandra Medd, Daisy Skerritt, Mr Langley and Mr Anderson for ensuring quick and decisive action was taken to ensure the incident and student was quickly taken care of.

It was a great day with 195 boys and 133 girls competing and completing the course. Congratulations to all competitors and thank you to all the staff who were magnificent in ensuring a smooth and well run event.
COMMUNITY NEWS

2013-2014 Family Energy Rebate

DON’T MISS THE DEADLINE!
Apply before 5pm Friday 13 June 2014

WHAT IS THE FAMILY ENERGY REBATE?
The Family Energy Rebate helps to cover the costs of energy bills for NSW households with dependent children. In 2013 – 2014 the rebate gives:
• A $125 credit against electricity bills for eligible applicants who receive electricity from an electricity retailer.
• A $137.50 direct payment to nominated bank accounts for eligible applicants who live in a caravan or mobile home park and receive electricity from the park operator.

AM I ELIGIBLE FOR THE FAMILY ENERGY REBATE?
To be eligible you MUST:
• Be eligible for Family Tax Benefit A or B during 2012-2013 and have received a relevant payment; and
• Be the primary account holder of an electricity retailer, OR a long-term resident of a caravan or mobile park home, whose name appears on the electricity bills supplied by the park operator.

YOU CHOOSE HOW YOU WANT TO APPLY FOR THE FAMILY ENERGY REBATE
• ONLINE – it takes a few minutes to submit and processing starts immediately.
• PAPER – download a form from the website, complete and submit by email, fax or post.

FOR MORE INFORMATION & ASSISTANCE
PHONE Service NSW 13 77 88
EMAIL fer.program@trace.nsw.gov.au
