We are already at the end of week 4 and as you read through the newsletter you will see the many great things that have already taken place.

I would like to congratulate Erica Johnson on being the Dux of Camden Haven High School for 2014. Erica achieved an ATAR of 90.7 and was successful in gaining entry into courses offered by The University of Melbourne and New South Wales University. Erica has chosen to defer for a year before she makes her decision as to which path she will take for her future. Her address to the student body was inspiring and heartfelt and I thank both her and her parents for attending the assembly to recognise her achievements. I would also like to thank all the parents who attended our Meet the Teachers afternoon last week. It was a great opportunity to meet with the Year 7 teachers for 2015 and your support is always very much appreciated.

I have watched with interest as the footpath behind the school grows daily into a reality; the first step in the Schools to Schools initiative. This is a great example of community members identifying a need, raising it with Council and a small but active group working together for this project. Not only will be of great benefit to the students with our Community of Schools but the whole community. Well done to all involved.

We have extended an invitation to parents of students moving into Year 7 in 2016 to visit the school on Wednesday 4th March for an information evening. Please come along to see our school first hand and all it has to offer in both facilities and programs.

Thank you all for your support of our students in their participation of the many various activities we implement every day at the school.

Mrs M Hutchinson
ON-SITE HAPPENINGS

ERICA’S OUR DUX FOR 2014

‘Get involved, enjoy what you do and be consistent’ were the three gems of wisdom Erica Johnson presented the student body with at Tuesday’s Dux Assembly.

Erica topped the 2014 cohort with an ATAR of 90.65 – an outstanding result when you consider that 75,767 students sat their HSC last year, and Erica’s result was better than over 90% of them. In her last school report she was ranked first in all five of her subjects – Advanced English, Legal Studies, Biology, Geography and Society and Culture – and her teachers commented on her diligence, commitment, dedication and focus. She was indeed an exemplary student.

As a result Erica has been offered a placement at the UNSW to study a Bachelor of Arts and Business, and the University of Melbourne to undertake a Bachelor of Arts; both her first choices. This year, though, she’s taking some time off study to earn some money and gain some valuable life experiences before she makes the difficult decision as to where she will actually further her education.

At the assembly Erica was presented with a cheque by Mrs Janet McCulloch, a representative from Higgins and Dix Lawyers, our official Dux sponsor. The staff and students would like to take this opportunity to thank Higgins and Dix for their ongoing support to our outstanding student each year and wish Erica all the best for her future endeavours.
As in previous years, Camden Haven High School senior students continue to access the Senior Study in the library for silent work when not on class. This continues to be coordinated by Mr Shilling and a group of teachers who kindly volunteer their time to supervise the students.

In addition to this, a new program is being implemented in 2015 to further assist senior students to achieve their full potential whilst at CHHS. Starting Week 5, small groups of students will be withdrawn from the Senior Study to attend workshops once a fortnight and given the opportunity to develop the skills necessary to be a successful HSC student. The workshops will be coordinated by Mrs Neville and Mrs Young and will address the following:

- Study Skills – A valuable website students will be accessing during their workshop is:
  
  www.studyskillshandbook.com.au

  Username: camdenhavenhs

  Password: 40success

  Parents can also access this site, using the above login details.

- Essay writing – the process of effective essay writing will be covered. Along with Mrs Neville, other teachers, including, Mrs Fletcher and Ms Stevens have kindly offered to share their expertise.

- Exam technique – time management in exams, understanding the question, applying the HSC verbs.

- Assessment Tasks – understanding the importance and requirements of a task. Students will receive individual help with assessment tasks during workshops.

- Organisation and Time Management – how to find time for homework, assessment tasks and study while having a life.

- Board of Studies Teaching & Educational Standards NSW – ensuring students are aware of their responsibilities in meeting the HSC requirements.

- Pathways after school – Mr Dickenson will continue to work with students to assist them with goal setting, post school options, early entry to university and scholarship applications.

Along with workshops, students will be able to access individual help from Mrs Neville and Mrs Young at other times, as needed. Mrs Fletcher will also be available on Wednesday afternoons in the library and Mr Dickenson can be contacted in the Careers Office on 65568132.

As part of the Senior Preparation program, parent/student evenings will be held throughout the year. The evenings will assist parents to help their senior student thrive, not just survive the HSC.

If you have any questions or comments please do not hesitate to contact Mrs Neville on 65568297 or email: elizabeth.neville5@det.nsw.edu.au
LIBRARY NEWS

Welcome to the library

Students have many opportunities to use the library for work or recreational reading outside class time. It is open to students from 8.30 – 9.00 daily, recess Wednesday and lunchtimes Monday, Tuesday, Thursday & Friday.

If parents would like to visit the library and see what facilities are available please contact me to arrange a suitable time.

Reading for Year 7 Students

Since regular reading is one of the most effective ways of assisting academic progress Year 7 classes will visit the library during English lesson fortnightly in either Terms 1 and 3 or Terms 2 and 4. They’ll be shown appropriate books, particularly fiction, that they might enjoy and then they’ll have the opportunity to borrow.

Classes visiting during Term 1 are listed below. Please talk to your student about what they are reading and encourage them to return library books so they can borrow more on these days:

Tuesday Week B – 7B (Ms Drummond)
Wednesday Week B – 7Y (Mr McArdle)
Wednesday Week B - 7G – (Ms Smith)

Premier’s Reading Challenge

Any student in Years 7, 8 or 9 can be involved in this program designed to encourage reading. To meet the challenge and receive a certificate students need to read twenty books – 15 from a list and five of their own choice. They can select from a wide range of books including picture books, information books and novels. A special area has been set aside to display the books on the list, making it easy for students to locate them.

Students have until the end of August to read the twenty books. Reading record sheets are available from the library.
MORE FROM THE LIBRARY

Research for Year 7 students

Classes have had a lesson in the library about the importance of including a bibliography in assignments and instruction in how to write one. Students have a yellow booklet to take home to refer to as they complete projects.

Each Year 7 class will complete a research task for most subjects, beginning with Science. These will all focus on developing important skills like note-taking and writing bibliographies. The yellow research booklets students use for this note-taking will be marked in addition to their final project.

Senior Students in the library

Senior students work in the library during study periods with the assistance and supervision of staff. Congratulations to all those students who are making excellent use of their time and the resources available.

Happy reading!

Mrs Rienstra
Teacher Librarian
BOOK LOVE COMPETITION

“There are worse crimes than burning books. One of them is not reading them.”  

Joseph Brodsky

The SRC (and Mrs Wilson) are helping run a competition to promote both reading and the school’s facebook page.

Join the teachers on the school Facebook page by taking a selfie that captures the love of books. Message it to our Camden Haven High School Facebook and it will be posted to the news feed if it is deemed appropriate by our SRC moderators.

Many of our school community either aren’t allowed to have Facebook accounts or choose not to. Those still wanting to participate can email their photo to julie.rienstra@det.nsw.edu.au

Laurieton Public Library would like to feature our better Booklove photos in a display in their newly opened courtyard reading area.

Those still wanting to participate can email their photo to Mrs Rienstra on julie.rienstra@det.nsw.edu.au.
SRC NEWS

Well, the SRC are off and running this term.

We have already run a BBQ at the swimming carnival on both days. Thank you very much to the Ag Plot for donating the eggs for our egg and bacon rolls and also to Mr Mearrick for helping us cook on the two days.

We had a wonderful swimming carnival on the Tuesday for Year 9, 10, 11 and 12 with the victorious Camden House winning... only to be outshone on Wednesday (for Years 7 and 8) with Haven taking out the overall winning house. I think all will agree it is a fun and enjoyable way to spend the day. The Valentine’s Races are always well participated events along with the Monster Relay. It really gets everyone involved.

The library is running a competition that everyone may participate in. All you have to do is take a selfie of you reading a book. The picture that is the most engaging and creative will be awarded a prize. Post your picture to the CHHS Facebook Page which is overseen by some very switched on SRC representatives. They do a fantastic job with this.

Coming up this term will be a social and out-of-uniform day. We will keep you posted as to dates and themes as soon as they are decided. Any suggestions for themes should be placed in the SRC suggestion box outside the uniform shop, or you can tell an SRC representative or Mrs Wilson.

Three of our senior SRC representatives will be attending the International Women’s Day breakfast on Friday the 6th March at the LUSC with Mrs Wilson and are looking forward to hearing how the guest speaker, Mrs Wendy Hudson inspires and leads others.

We have also welcomed some new Year 7 representatives to our SRC who you will be sure to meet at your year meetings or assemblies.

Ainsley Johnson and Alyssa Deutscher
Year 8 SRC representatives
ASSESSMENT INFORMATION

Assessment Workshops 2015

During weeks four and five of this term, students in Years 7 – 10 will be participating in a one hour workshop to learn about and/or revise the Assessment Practices at Camden Haven High School.

The Assessment and Reporting Team, led by Mrs Clough, have created a presentation which outlines the importance of assessment tasks, what the students’ responsibilities are with regards to the completion of tasks, as well as looking at time management strategies. Much of what was covered in the workshop can be found in the Assessment Booklet that the students received. We encourage all parents/carers to read through this booklet in order to familiarise themselves with the procedures and the actual tasks that their child will have to complete throughout the year.

One of the most important aspects of the workshop involved the presenters, Mrs Clough for Stage 4 and Mr Wykes for Stage 5, in guiding the students through the booklet, so that they can map on a term calendar what week the various tasks are due for each subject. In addition to this, all students received a heavy duty magnetised plastic sleeve, which contains a yearly planner. When students receive an Assessment Task notification, they should record the due date on this planner. This will enable the student to monitor their own progress towards task completion and provides parents/carers the opportunity to assist their child to stay focussed so that they meet due dates.

There may come a time when a student may not be able to complete and/or submit a task on time due to an explained absence, illness or misadventure. The Assessment Booklet clearly explains the procedures to follow and a sample of the forms that will need to be completed in this event. We will also be uploading them to the school’s website for your convenience.

Should any parent/carer or student have any questions regarding assessment, they should contact the class teacher or Head Teacher of the subject.

Mrs Clough
Assessment and Reporting Team Leader
Support Centres have started across the Camden Haven drawing area and many excited students have jumped at the opportunity to get some face to face support to assist them with their weekly work. Students also get the opportunity to socialise with staff and fellow students. This is a very important part of support centres as the face to face connection is often lost when studying via distance education.

This week Mr Lyttle and Mr Williams travelled to Newcastle and worked with students at the Toronto, Broadmeadow and Nelson Bay Support Centres and met with many more newly enrolled students in the Newcastle area. The Toronto Support Centre was a great opportunity for Jared and Breeanna to conduct a workplace hazard inspection of the community centre as a part of their Business Services course. The Broadmeadow support centre provided Brooke and Mikeala an opportunity to catch up on their friendship started at the 2014 Mini School and suggest what activities should be included in this year’s mini school.

Soon students will be invited to Port Macquarie on the 16th - 18th March for a Mini School at the Sundowner Caravan Park as well as Camden Haven High School. Just like previous Mini Schools students will experience a wide range of lessons including the very important practical opportunities that can’t be experienced at home as well as the fun social activities that students look forward to. I know that Darcey is looking forward to playing Lazer Tag with Mr Williams again and Taylah is hoping to spend some more time at the zoo feeding the kangaroos.

Mr Williams
Head Teacher Secondary Studies
YEAR 7 CAMP

Attention Year 7!
Camp permission notes and moneys are due 3rd March. There are only a limited amount of places for camp, so make sure you get your information and money in asap.
Mrs Bovey Mendez
65568177

FROM THE FRONT OFFICE

Early Leave Procedures
If you know that your child will need to leave school early for any reason, please send a note in with them in the morning so that they may be released from class. Please make sure the time of leaving and the reason are on the note. Your child will then be issued with a pass out card which will allow them to leave class early. As part of Child Protection procedures, a teacher will not release a student without a pass out card supplied by the front office.

Swipe Cards – Attendance
Each student is required daily to swipe their ID card as they arrive at school. This is their responsibility. Failure to do so will result in an absentee SMS or letter home asking parents/carers to explain the absence. Please encourage your child to bring his/her swipe card daily and to view the screen to check their name appears as they swipe. New cards for 2015 will be issues after the school photos have been taken.

Fee Invoices
Invoices for school fees will have been posted to families. Fees can be paid by cash, cheque, eftpos or credit card over the phone. Payments can be made in full or part payments made regularly at the Administration Office.

Sick Bay
If your child becomes sick at school and contacts you directly please ask them to tell their teacher they are unwell and proceed to the front office. The front office is only too happy to contact parents for an unwell child. If this procedure is followed it will save you waiting for us to locate them. We thank parents for your cooperation with these matters.
PARENT COMMUNICATION

Our newest way to communicate is via our Skoolbag app. It is a free app to keep you up to date with what’s happening at school. Follow the instructions below to install the app on your smart phone. If you don’t have a smart phone, you can still have the same information emailed to you. Go to the ‘Communication centre’ on our website and click ‘subscribe for email’.

How To Install Skoolbag On Your Smartphone

iPhone & iPad Users
1. Click the “App Store” icon on your Apple device.
2. Type your school name in the search, using suburb name will help.
3. If iPhone, you will see your school appear, click “Free” then “install”.
4. If iPad, change the drop list to “iPhone Apps”, your school will then be visible, click “Free” then “install”.
5. When installed click “Open”.
6. Select “OK” to receive push notifications, when asked.
7. Click the “More” button on the bottom right of the App, then “Setup”.
8. Toggle on the Push Categories that are applicable for you.

Android Users
You must first have signed up with a Google Account before installing the app.
1. Click the “Play Store” button on your Android Device.
2. Click the magnifying glass icon at the top and type in your school name, using suburb name will help.
3. Click the school name when it appears in the search.
4. Click the “Install” button.
5. Click “Accept” for various permissions (please note, we do not modify any of your personal data on your device).
6. Click “Open” when installed.
7. Click the “More” button on the bottom right of the App, then “Setup”.
8. Toggle on the Push Categories that are applicable for you.

ACCESSING STUDENT INFORMATION ON OUR MILLENNIUM WEBSITE

Do you want to see who teaches your son or daughter? Do you want to know how many positive points they have received this year? Do you want to access their reports? You can now do this via the student database, Millennium. If you have an active email address on file you will have received an email early last week providing you with a website, user name and password. This will get you into the student / parent portal of Millennium and allow you access to the following student information:

- Class names
- Timetable
- Markbook (where available)
- Previous reports
- Register (positive – and negative – points) and
- Attendance

If you require another copy of your specific login details, or you want to know more about how to use Millennium please do not hesitate to contact Ms Westman or Mr Dick, at the school on 6556 8100.

SCHOOL WEBSITE

Our School website is where you will find a wealth of information about our school. News and events, important dates, photo galleries, newsletters, curriculum, links to external educational sites and ways to support your children. It is also a gateway to our student portal, students and staff Millennium sites and our e-learning site. You can browse our website at http://www.camdenhave-h.schools.nsw.edu.au

PARENTS AND CITIZENS ASSOCIATION

Our Parents & Citizens’ Association (P&C) brings the school community together. Parents, teachers and community members can help meet the needs of the school community and contribute to decisions about the school.

The P&C also raises funds that help finance improvements to our school and provide additional resources. The P&C meet on the third Thursday of the month at 2:30pm in the Principals office. Please come along.

CANTEEN

OUR CANTEEN NEEDS YOU!

Teaching staff have been giving up their recess and lunch to help Chris in the canteen as she is often working alone. If you have seen our canteen at peak times you will understand our dilemma.

Are you a mother, father, caregiver, grandparent, aunt, uncle or neighbour of a teenager?

Can you give 1 day a week/ a fortnight / a month – 9.15am – 2.30pm.

Can you make sandwiches/ wraps and salads?

YES – Our canteen needs you (all training provided)

Organise to volunteer with a friend – great way to catch up on a regular basis.

How? Fill out a Volunteer form NOW and send it to school or RING the School Canteen on 6556 8100 Or EMAIL chris.fajks@det.nsw.edu.au

Please help our school canteen
FREE AUTISM SPECTRUM DISORDER WORKSHOPS FOR PARENTS/CARERS

Positive Partnerships Parent/Carer workshop, for parents of students with Autism Spectrum Disorder is occurring in Taree on 12 and 13 May 2015.
Information about these workshops can be found at http://www.positivepartnerships.com.au/workshops

EVENTS, SUPPORT AND INFORMATION FOR STUDENTS WITH DISABILITIES

Post School Programs

Any student who has a disability as described by the DDA (Disability Discrimination Act) may be entitled to access support in post school settings such as TAFE, university, work and other education and training.

People living in the LGA of Newcastle or Lake Macquarie, and from July 2015, Maitland LGA, are able to access support under the National Disability Insurance Scheme (NDIS).

In order to receive the support that will help them overcome the impact of their disability, students will need to disclose and obtain evidence which will be used in confidence by specialist staff.

Ageing, Disability and Home Care (ADHC), Department of Family and Community Services NSW and NIDA officers will determine if a young person is eligible for an ADHC Post School Program or NDIS Support.

If you would like more information about seeking support in a post school setting for your student, please contact Mrs Rudder at CHHS
Invitation to Parents and Students Year 7 2016

Wednesday 4th March
5-6.30pm
Performance Space
Camden Haven High School

- Learn more about Camden Haven High School
- Find out about our co-curricula programs
- Meet the 2016 Year 7 Advisor
- Tour the school
- Participate in working classrooms
- Refreshments will be provided.

We are an innovative learning community delivering excellence through diverse learning, where all members are actively engaged in achieving their personal best in a safe, respectful and supportive environment.

RED CROSS BLOOD DONATIONS

The Red Cross come to our school once a term, allowing our students and staff the opportunity to donate which makes donations a little easier for us. This term the donations are taking place on Tuesday 24th February in the Performance Space.

Anyone aged between 16 and 70, who weigh over 45kg are eligible to donate blood. The donation itself takes 5 - 10 minutes and can help in saving up to 3 lives. There are some instances that may restrict donations which include having a tattoo in the last 6 months, recently pregnant or given birth and having lived in the UK for a total of 6 months between 1980 and 1996.

So for the most of us we should be able to roll up our sleeves and help save some lives. Some of our students and staff are regular donors.

If you are interested in making a small donation that can mean so much to others, you will need to fulfil the donation requirements (available in the information package), and contact the school for more details.

For an information package you can check the Red Cross Website http://www.donateblood.com.au/ or it can be emailed from the school.

Call Mr Dalton or the Front Office
IMPORTANT INFORMATION FROM THE CAREERS ADVISOR

Our school has now provided its students and their parents/caregivers with a ‘School Careers Website’. You can find it at www.chhscareers.com

It’s a “One Stop Shop” for your child’s needs with their Career Planning, information, HSC, Post School Options and much more.

They can also use it to create and save their resume. The site is also designed with you, the parent/caregiver in mind, to provide you with all the information you need about your child’s Career Planning and post school options – and the information is constantly changing in these areas. I would also like to communicate with you in regards to your child’s career planning, so I would ask that you choose your preferred form of communication below.

Please fill in (choose 1 or more) and return to school by 27th February 2015.

Parent Name: ____________________________  Parent Signature: ______________________________

Student Name: ___________________________________  Student Year: ____________

Please Note: The information you provide here will only be used for the purpose of communicating with you regarding your child’s career planning needs.

Thank you for providing this information which will allow me to work with you to provide the best service possible to your child.

Kind Regards
Mr Dickenson
Careers Advisor
SPORT NEWS

VOLLEYBALL

This year Camden Haven High School have a team competing in the Port Macquarie Indoor competition. The players are made up from the Volleyball class, as well as some other interested students.

On the first night the team (Tuesday 10th), consisting of Shantelle Hearne, Kelly Forster, Molly Fraser, Jet Lorenz, Jackson Miller, and Callum Vanderant played a strong team of adults. However with some strong serving from Kelly, Shantelle, Jet and Jackson, as well as some great team play from everybody they were able to secure the first set 25 to 15.

The second set saw some more consistent play, great passing from Molly and aggressive hitting at the net from Callum which enabled the team to take the second set 25:11.

During the third set the team worked well at transitioning, however were unable to take the set with the opposition finally finding their feet. They went down in a hard fought set 20:25.

A great start to the competition, with room for continued improvement and lots of learning as the competition continues.

The second week saw Jacob Wilkie come along to find out about the game and help bolster the numbers; with Callum away. Again some excellent serving from everyone saw the team make a good break in the first set against a very tall and quite experienced side from Regional. Some wonderful rallies ensued with all the players running and chasing down the ball to keep the game alive, which showed their determination. Unfortunately it was not enough to take the first set, with the boys and tall girl from Regional putting down some great hits and also scrambling well allowing them to finish stronger 20:25.

The second set was an equally strong struggle with both teams hitting, serving and passing well. Jackson, Shantelle and Jett made some strong hits, with Kelly and Molly working well to keep the ball in play. Jacob was learning throughout and putting his body on the line on many occasions. This great team work allowed the side to take the second set 25:18 and tie up the match.

The third and deciding set was going to be a great tussle, which didn’t disappoint. Both teams were serving, passing and hitting well, with many points having long rallies. The score would to and fro with the lead swapping on at least 6 occasions. In the end Camden Haven took control and finished the stronger taking the final set 25:15, after a late flurry of points.

The team currently sits equal first with 2 wins, however it will be a long season, so they will need to continue to build on their game play. If anyone else is interested in coming along to have a hit and learn a bit more, there are still spaces available. Games are on Tuesday nights at Port Macquarie Stadium between 6 – 8pm. See Mr Dalton or one of the players for more details.

COMMuNITY NEWS

Lake Cathie Raiders Football Club

New and current players are invited to join the family friendly football club.

Registration days for the 2015 season will be held on the 21st of February. Registrations will take place at Lake Cathie Bowling Club from 9am – 11am.

Easy online registration is now available and can be accessed through our website @ http://cathieraiders.org  Note: you will still need to attend a registration day to get fitted for your players’ strip.

All registered players will receive a personalised strip (shirt and shorts). All junior players (U’6 - U’11) will also receive a spray jacket.

For any enquires, contact secretary.cathieraiders@gmail.com or call Lou on 0418811183.

The Rotary Club of Laurieton

Applications are now being sought from eligible high school students to apply for a long-term overseas youth exchange.

Applicants need to be 15 years of age and no older than 17 years & 6 months at time of departure 16th January 2016.

Application forms are available from

www.rotaryyouthexchange9650.com.au

Applications close 15th May 2015
Welcome to Season 2015. Another exciting year of Vikings Rugby Union is upon us. This year will be a HUGE year for the mighty Hastings Valley Vikings. It is the clubs 20th year; yes that’s right 20 years. The Hastings Valley Vikings are also the current and defending PREMIERS in both 1st Grade and also Reserve Grade.

Even more exciting for season 2015 for the 1st time in Vikings history the club will be fielding teams in all Junior age groups including Under 14’s, Under 16’s, and the Under 18’s. So if you would like to come and get involved in the best family friendly club on the Mid North Coast you need to get on down to training or ring the Hastings Valley Vikings Junior representative.
